Hopkins Award Program Honors the Achievement

HOPKINS July 26, 2012 -- Live 2 B Healthy Senior Fitness has been selected for the 2012 Best of Hopkins Award in the Rehabilitation Services category by the Hopkins Award Program.

Each year, the Hopkins Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Hopkins area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2012 Hopkins Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Hopkins Award Program and data provided by third parties.
